

CHILD AND FAMILY, ALL NATIONS COORDINATED RESPONSE NETWORK
EMPLOYMENT OPPORTUNITY – Competition #2024-10-3 Repost.

ANCR (Child and Family All Nations Coordinated Response Network) delivers centralized, essential intake services that are part of the comprehensive and coordinated child and family services system in the City of Winnipeg. We provide crisis response and intake case services, conduct abuse investigations, and offer preventative programs and services. ANCR is generally the first point of contact with the child and family services system. We provide service 24 hours a day, 7 days per week. ANCR receives both emergency and non-emergency calls, with highly qualified staff making initial assessments and referring callers to ongoing services as appropriate.

ANCR's goal is to promote and support the safety and wellbeing of children and families by providing culturally appropriate, strength-based child and family intake services. We recognize the role we must take in reconciliation as we embrace and support the inherent right of Indigenous communities to care for and ensure the wellbeing of their children. Our role as a designated intake agency is to commit to the Truth and Reconciliation Calls to Action and ensure that we are always acting to end the colonization and multigenerational trauma perpetrated by our system.

POSITION: Intake Screener

CLASSIFICATION: SP4 (underfill offers may be made where candidates do not meet all qualifications)

SALARY: \$62,546 - \$88,890 per annum

CLOSING DATE: September 20, 2024

A satisfactory criminal records check, prior contact check and a check of the Child Abuse Registry is a requirement of all ANCR employment positions. Applicants must be legally entitled to work in Canada.

DUTIES:

The Intake Screener screens all referrals for service to determine whether the referral meets the criteria for a child welfare response. When the Screener determines a child welfare response is warranted, the screener in consultation with their supervisor will determine which program within ANCR is appropriate to receive and respond to the referral. The Screener in consultation with their supervisor will also determine the appropriate response time required based on immediacy and severity of the potential risk to child(ren). The Screener will initiate referrals to community collaterals as appropriate, complete written reports, case documentation and correspondence as required.

All qualified internal candidates will be considered first. Testing may form a part of the screening and selection process.

Your cover letter and resume must clearly indicate how you meet the qualifications. Please review www.ancr.ca for more information.
